Film Production Guidelines

Failure to comply with these conditions will be in violation of your film permit and may result in revocation of permit.

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

GRIFFITH PARK

- **Must park all vehicles legally in the parking lot. May not park along dirt shoulder of the road.**
- **OK to film at Mineral Wells and Fern Dell.**
- **NOT allowed to enter "The Dells" area at any time.**
- **MUST use natural lighting when filming at Fern Dell. Balance boards and any other means to light subject at the park is prohibited at Fern Dell.**
- **Does NOT have exclusive use of the park and parking lot at any time.**
- **Students MUST be aware of heavy park patron traffic on the weekends. The park is expected to be busy on Veteran's Day weekend so students MUST work around large volumes of patrons at the park.**
- **NOT allowed to film at any trail inside the park at any time.**
- **MUST be a cast and crew size of 14 and under. If students are found to exceed that amount without a Park Film Monitor on site, filming/production will be shut down immediately by Park Rangers.**
- **NOT allowed to have generator on site (without a Park Film Monitor present).**
- **Must not close off the parking lot, must allow cars to be able to drive thru at all times.**
- **Does NOT have exclusive use of the park.**
- **OK to do two minute pedestrian control while cameras are rolling.**
- **MUST allow park patrons to pass through access areas when cameras are NOT rolling.**
- **MUST hand cart/carry all equipment to filming location.**
- **Must work around park patron, park maintenance and park activities.**
- **May not block any access roads, driveways or dumpsters.**
- **Pedestrians have the right of way at all times.**
- **No heavy equipment allowed on the grass at all times.**
- **NO vehicles allowed on the grass at all times.**
- **Cannot alter the landscape area of the park – i.e. not allowed to dig a hole.**
- **NO staking allowed at the park at all times.**
- **Must share parking with park patrons.**
- **NOT allowed to film any patron unless given permission with written consent.**
- **MUST leave area clean or better once all filming activity has concluded at Griffith Park.**
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.

DRAFT NOT FOR REPRINT

- Nudity is prohibited and not allowed in any Recreation and Parks facility.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
